Mandate.

Global
interests

[Note]:

The parts of this target feel somewhat disparate. ^(to me) I am having difficulty picking up on the details which feel fleeting.

[Go to 100' above the target at an optimal viewing point]:

• Landscape.

There doesn't seem much here, like it's in nature.

Some clouds are present across the sky.

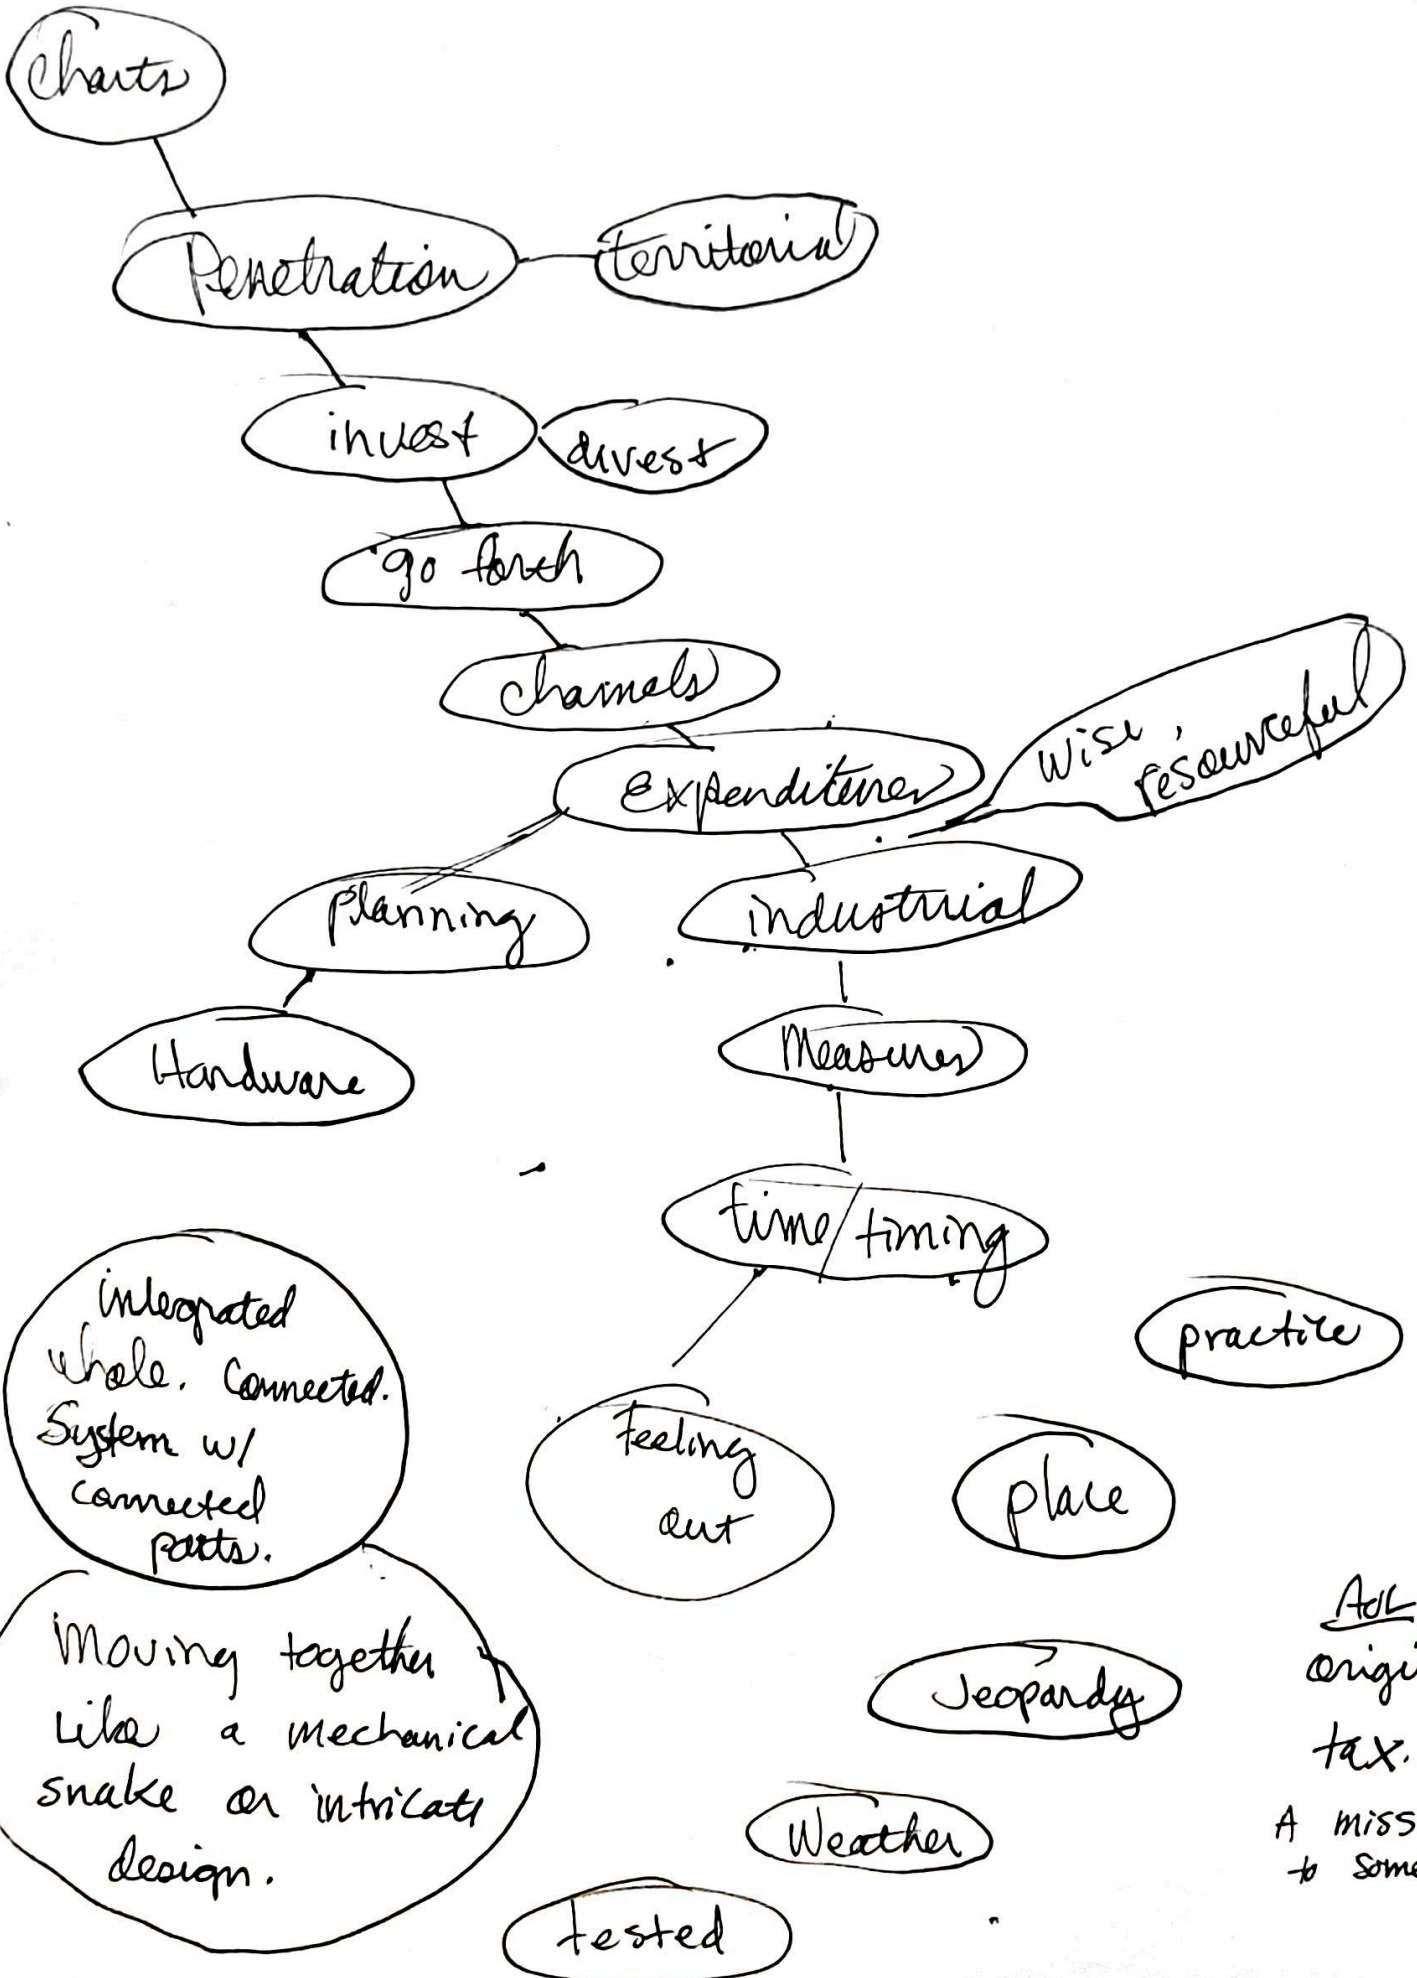

These may be reddish tinged/maroon.

A long expanse of clouds.

Technology → Advanced → Weaponry (AO) → channels

AO
other planet.
mar.

AO
Radio tower

integrated whole. Connected. System w/ connected parts.

Moving together like a mechanical snake or intricate design.

AdL
origin.
tax.
A mission to somewhere.
